The governing boards of each of the several institutions, within sixty (60) days after the close of each fiscal year of the biennium shall file with the Board of Control and the Governor an itemized schedule of salaries paid all employees, including therein a list of names of all persons employed in any capacity by such institutions, who are paid for services during the fiscal year a total in excess of One Thousand Dollars (\$1,000.00) out of any funds from any source or of any character under the control of the governing board, and the name of each employee shall be accompanied by a statement of the total amount of payments from any sources made to said employee at any time during the twelve (12) months of the fiscal year and the title of the positions or kind of service rendered, which reports shall be subject to public inspection.

Subsection (2). Salary Provisions. It is further provided that compensation for correspondence and/or extension teaching as provided herein and compensation from bequests and gifts, unless so limited by the donor, shall be excluded from the salary limitations of this paragraph. The rate of the salary paid an employee of any institution named herein for services during a summer session shall not exceed the salary rate paid the employee for the same or similar services during the long session of that institution.

Fulltime employees on twelve (12) months basis may receive not more than Two Hundred and Fifty Dollars (\$250) for correspondence course and/or extension center teaching, and may not be paid additional money for summer school teaching, and full time employees on a nine (9) months basis may be paid for correspondence and/or extension center teaching or summer school or other services during the remaining three (3) months of the fiscal year, but may not receive more than Two Hundred and Fifty Dollars (\$250) per annum for correspondence course teaching during the fiscal year and/or extension center work during the regular nine (9) months session.

Subsection (17). Be it further provided that, since liberty is the most precious heritage enjoyed by the people of this Nation or any other Nation in the world, a heritage which has been denied to such a large percentage of the peoples of the earth, and it is indeed comforting to know that such splendid and patriotic organizations as the American Legion, Veterans of Foreign Wars, the Spanish American War Veterans, the Daughters of the American Revolution, the United Daughters of the Confederacy, and the various women's auxiliary organizations, and all patriotic American citizens are ever on guard against vicious, subversive, and alien influences which sow their seeds of disloyalty on American soil; and because of the fact that at this time the peace and security of our people are threatened by powerful aggressive Nations abroad who have declared their intention to abolish democratic institutions in all the earth, and since these Nations by systems of espionage and sabotage are striving to injure our material resources and weaken the morale of our people; therefore in order that the American people may be protected from all sources of alien and un-American propaganda, to the end that the American way of life shall be preserved, and to this end, in order that the youth of Texas may be protected against unscrupulous or unwise, and against unwise un-American doctrines and principles, it is hereby further provided that any member of any faculty or any State-supported institution who shall advocate, subscribe to or believe in communism, or any other form of totalitarian state doctrine, that is,

47TH REGULAR SESSION

that the individual exists for the benefit of the State, which is the anti-thesis of the American ideal and theory that all governments should exist for the benefit and glory of the citizens thereof, shall be discharged from such faculty when found guilty of advocating or encouraging such theories of government by the governing board of such institution.

Subsection (18). It is hereby further declared unlawful for any person authorized to use a State-owned automobile in connection with any business of the State to use such automobile in connection with any campaign in which such institution is directly interested, or in behalf of the campaign for reelection of the head of any department, and/or in any other manner, time or place than when such automobile is being used in the interest of and for the purpose of carrying out State business. Any person violating this Section shall, upon final conviction, be subject to a fine of not less than Fifty Dollars (\$50) nor more than Two Hundred Dollars (\$200). In the event such use of such automobile is being made with the knowledge of the head of any institution having charge of such automobile, then such head of such institution shall also be liable to punishment in a fine of not more than Two Hundred Dollars (\$200). Any court of competent jurisdiction in the county where this law is violated shall have jurisdiction to try such cause.

Subsection (19). The Board of Directors of the Texas Union shall annually submit a complete and itemized budget to the Board of Regents of The University of Texas, said budget to be accompanied by a full and complete report of all activities conducted during the past year and all expenditures made incident thereto. The Board of Regents shall make such changes in the budget as it deems necessary before approving same.

Subsection (20). If any section, sentence, clause, or part of this Act shall be held invalid by any court of competent jurisdiction, such holding shall not alter, change, or affect the remaining portions hereof, and it is hereby declared to be the intention of the Legislature to enact this said Act, and each sentence, section, clause, or part hereof independently and irrespectively of the invalidity of any part so declared unconstitutional or invalid.

Subsection (21). The fact that the above and foregoing is an appropriation bill to pay the salaries of officers, teachers, and employees, and to pay other expenses of operating, maintaining, and supporting the said educational institutions hereinabove named, for the two fiscal years beginning September 1, 1941, and ending August 31, 1943, both dates inclusive, and the further fact that the support, maintenance, and operation of said institutions are dependent upon the appropriation herein made create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each house be, and the same is hereby suspended, and that this Act shall take effect and be in force from and after its passage, and it is so enacted.
